

Clinical Pharmacology Reexamination

Department of Pharmacology and Clinical Pharmacology

In order to ensure the proper conduct of the re-examination in the discipline of Clinical Pharmacology, it is necessary to satisfy the following conditions:

1. The reexamination for Clinical Pharmacology will take place on **15 November, 2021 from 15:00 o'clock.**
2. Students who have absences and/or negative grades in the Clinical Pharmacology module (in SIMU must be: statut - atestat) will NOT be admitted to the exam;
3. International students have to be admitted also by the dean's office, if **there are no financial arrears.**
4. The students should access the following link, **on 15 November, at 15:00:** <https://meet.google.com/aen-ubdi-wfu>
5. It is mandatory for students to have the camera and microphone turned on in order to be monitored / supervised by doctors.
6. Any student who will not have the camera and microphone on / functional will be excluded from the platform, without notice, with the subsequent establishment of the negative grade.
7. Any attempted fraud of the exam will lead to the establishment of a negative grade.
8. Each student assumes the responsibility to satisfy the technical requirements in order to participate at the re-examination. International students until the re-examination have to check and at the dean's office if **admitted, if there are no financial arrears. (this re-examination is possible to be for a fee, make sure you pay to be admitted to the re-examination)** Otherwise the reexamination will not be valid even if it is positive.
