

Dear 5th-year students, Groups M2257–M2262,

We would like to inform you that the **Clinical Pharmacology module will begin on September 1st.**

In the morning, you will have seminars at the clinical sites. Each group should report directly to the assigned clinical site according to the following schedule:

M2257 — Assoc. Prof. L. Țurcan

V. Ignatenco Municipal Children's Clinical Hospital, 149 Grenoble St., Pediatrics Department No. 2, 4th floor.

M2258 — Assoc. Prof. L. Podgurschi

Hospital of the Ministry of Health of the Republic of Moldova No. 5, 51 Pușkin St., 3rd floor, Internal Medicine – Gastroenterology Department.

M2259 — Assoc. Prof. I. Guțu

Institute of Oncology, 30 N. Testemițanu St., Didactic Building No. 5, 2nd floor.

M2260 — Assist. Prof. A. Caracaș

Institute of Mother and Child, National Centre for Reproductive Health and Medical Genetics, 93 Burebista St., 2nd floor, Room 209.

M2261 — Assist. Prof. M. Mihalachi-Anghel

Timofei Moșneaga Republican Clinical Hospital, 29 N. Testemițanu St., 2nd floor.

M2262 — Assist. Prof. E. Vasilache

Municipal Clinical Hospital No. 1, 20 Meleștiu St., 1st floor, administrative building next to Magnific Centre.

Appropriate clinical attire is mandatory for all seminars:

white coat, change of footwear, protective face mask, and medical cap.

At **12:30 p.m.**, two lectures will be held at the “**Leonid Cobâleanchi**” **Didactic Building No. 1**, 3rd floor, Department of Pharmacology and Clinical Pharmacology, **Room 6–7**.

Attendance at both seminars and lectures is mandatory.

Please make sure to arrive on time and report to the clinical site assigned to your group.

We wish you a successful and productive **Clinical Pharmacology module!**

Department of Pharmacology and Clinical Pharmacology
